

Log into My School Bucks at <https://www.myschoolbucks.com/ver2/getmain.action>

- If you are a new user you will need to create a new account by selecting the **SIGN-UP FREE** button. If you are already a MSB user you can skip down to the FIND MY STUDENT part of these instructions.

- First you will enter the email address you want to be associated with your MSB account. Continue setting up your account by following the prompts.
- After setting up your account you will be asked to login using the email address and password you just entered.
- Look for the GET STARTED button.

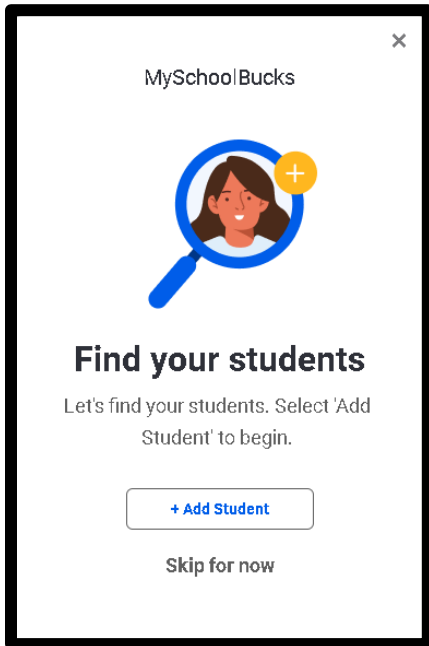

- Select your State/Province
- Select your district
- Select the ADD DISTRICT button

- Add additional account security by answering the two security questions.

- Add the Alternate funding account to your account in the same manner you would add your student.

- Select FIND STUDENT
- Enter the desired Alternate Funding Account information using the list at the end of these instructions.

A screenshot of a form titled "Add Student". The instructions say: "To add a student to your account please enter their name and identifying information." Below this is a dropdown menu for "Broken Arrow Public Schools" with "Lynn Wood Elementary" selected. A note reads: "Note: If your child attends school in a different school district please use the district selector at the top of the page to switch." There are three input fields: "LW", "Love Acct", and "99140". At the bottom left is a link "Don't have your child's student ID?". At the bottom right are "Cancel" and "Find Student" buttons.
