

MIDDLE SCHOOL VIRTUAL ACADEMY

Broken Arrow Virtual Academy is a unique learning opportunity available to district students. Participation in the Virtual Academy requires demonstrated success in a virtual environment and a semester-long commitment.

Broken Arrow students have a unique opportunity to participate in both virtual and in person courses. If this is chosen, participation in traditional courses requires daily attendance.

Teachers will consistently communicate and connect with families in much the same way as in a classroom setting.

Students will learn via Canvas daily. The curriculum may include asynchronous (independent) and some synchronous (live) activities.

Students may be required to come to in-person study hall/tutoring sessions if they need assistance with the virtual curriculum or struggle to submit assignments by the due date.
